NOTICE OF RACE

1 RULES

1.1 The Courageous Challenge will be governed by the rules as defined by the Racing Rules of Sailing (RRS) and the US SAILING Prescriptions.

1.2 Other alterations in the rules are noted below.

- Starting Sequence: As described in Appendix U of the RRS, the three-minute dinghy starting signals shall be used for all races. This changes Rule 26.
- Penalties Taken at the Time of the Incident: The first two sentences of rule 44.1 are changed to “A boat may take a One-Turn Penalty when she may have broken one or more rules of Part 2 or rule 31 while racing.”
- If there is a collision causing damage, all parties involved in the collision **must** immediately retire from the current race, sail clear of other boats directly to a Race Committee boat to report the incident and display the damage. The Race Committee will assess the damage and determine if one or all parties must retire from the remainder of the remaining races. At the discretion of the Race Committee, one or both boats involved in the collision may be subject to immediate retirement from the remaining races for that day. Boats thus retiring are unable to exonerate themselves although they may be eligible for redress. This changes RRS 44.
- When a boat that has been damaged is unavailable for a subsequent racing day, the competitor(s) at fault, as determined by either by a protest hearing or by the agreement of parties involved in the incident resulting in the damage, may race only if there are boats available beyond those used by other competitors.
- A boat intending to protest or request redress based on an incident in the racing area that she is involved in or sees shall, at the first reasonable opportunity after she finishes, inform the Race Committee at the finishing line of her intent to protest or request redress and, when applicable, the identity of the protestee. Failure to do so may be grounds for declaring the protest invalid under RRS 63.5. This changes RRS 61 and 62.
- RRS 62.1(b) is changed to “swamping, capsizing, disablement, injury, or physical damage because of the action of a boat that was breaking a rule of Part 2 or of a vessel not racing that was required to keep clear.”
- The following is added to the end of RRS 62.1: “(e) failure of equipment on the boat that could not be prevented by a reasonable inspection and/or adjustment prior to racing.” Competitors are reminded to inspect knots, halyards, sheets, control lines, tiller extension and fittings, shackles,

cotter pins, and cotter rings ('ring dings') used the secure stays to the hull or blocks to the boom, mast, traveler, or boat, before leaving the dock. If they do not do so, they should not expect relief when simple and preventable failures occur.

- RRS 40 is deleted and replaced with: "All competitors shall wear, while on the water or dock, other than for brief periods while adding or removing clothing, an approved US Coast Guard PFD. The PFD must be worn outside all clothing, except that a thin shirt may be worn over the PFD to prevent snagging." Note that flag Y will not be displayed. This changes the preamble to Part 4 of the RRS.
