youth programming

The Courageous Corporate Challenge

Four nights of racing
followed by
networking
over food
and beverages

On four Monday nights in June, seasoned and novice sailors alike set sail from Pier 4 in the Charlestown Navy Yard for some fast-paced, short-course keelboat racing. Racers are welcome to skipper their own boat, and for those new to sailing, Courageous instructors are available to take the helm or join the crew for on-the-water coaching. At sunset we sail back to the dock to enjoy food, drinks, camaraderie, networking, and some of the best views in Boston. Join teams representing some of Boston's premier companies, and make Monday evenings feel like Saturday nights!

2024 Schedule

Every Monday in June, starting at 6 PM

6/3	Race Night 1
6/10	Race Night 2
6/17	Race Night 3
6/24	Race Night 4 + Awards

All dates are subject to postponement and change due to weather and/or extenuating circumstances.

Race with your company team in June, then enjoy a whole season of sailing and celebration!

Each team competes with their company name and logo proudly emblazoned on their boat's jib sail, which remains on the boat throughout the entire season. Use your company's Challenge boat as a weekly perk for employees (Courageous will be happy to provide an expert skipper), or commit a dedicated team to the cause and try to win it all. Either way, it's sure to be a fulfilling way to spend a Monday evening, while helping ensure that Boston kids from all walks of life can experience the life-long learning and growth opportunities that sailing offers. And the fun is not limited to four Monday nights — all participating companies enjoy a Courageous corporate membership, making it easy to keep sailing on Boston Harbor all summer long, and four tickets to the annual Courageous gala!

\$5,500 per boat

- Sponsor 8 kids for 1 week of free programming
- 2-4 team members per race night
- Post-racing opportunities to network with fellow participants from Boston's top companies
- Company logo on 1 jib sail for the 2024 season
- Recognition on Courageous Sailing website
- 20% discount on Learn to Sail Courses
- Corporate membership included
- 4 complimentary tickets to annual Courageous gala

continue racing on Tuesday/Thursday nights

*Limit one boat at a time.

Summer and School-Year Sailing and STEM

Over 50% of summer
students participate for free.

Bus transportation, swimming
lessons, meals, academic
programming, social worker
support, + more

Your Impact

Courageous Sailing serves approximately 1,000 children every year, many of whom would not otherwise have the opportunity to learn to sail.

But Courageous is about so much more than sailing. Here, sailing, science, and the marine environment are platforms for fostering leadership, relationship-building, engagement in learning, and social-emotional growth. We are committed to ensuring that youth from marginalized communities have equitable access to high quality learning opportunities, the sport of sailing, and the ocean.

Over 600 youth participate in FREE, multi-week sailing and STEM programs each year.
